

Investing for Success

**Under this agreement for 2016
Lakeland State School will receive**

\$7,439*

This funding will be used to

- Ensure our Prep students achieve regional PM Reading Level of 9 by the end of 2016.
- Improve our Year 3 students currently below regional benchmarks, to PM Reading Level 23 by the end of 2016.
- Continue to run our 4 year olds play group to get students ready for prep.
- Implement strategies to help our year 3 and 5 get ready for NAPLAN.

Our initiatives include

- Review student performance data - fortnightly and twice per term.
- Utilize the reading component of the FNQ Improving Teacher System to guide instructional and teacher capability development.
- Employ a second teacher aide to provide extra assistance in classroom, to enable more one to one reading instruction.
- Engage parents on a deeper level to be better informed and involved with their students learning.
- Continue to run a pre prep program to engage parents/guardians and pre preps in the routines of school and to develop literacy and numeracy skills at a young age.

Our school will improve student outcomes by

1. Investing in professional development to build teacher aide capability	\$1100
2. Purchasing teacher aide time to deliver intervention and extension.	\$4839
3. Continue running a Pre Prep program with trained T/A	\$1500
Total	\$7439
